  - We look forward to working with you in the new school year.

We anticipate that the pandemic will be over when the first day of school rolls around, but there may be some protocols that may still be in place such as masks especially if we do not have 100% fully vaccinated students and staff. We will keep you updated as the first day gets closer. I am excited that some things will be coming back such as chapel, field trips, sports, Christmas programs and graduations. Some things may not be entirely the same but at least we will be able to see and interact with each other in-person. God bless you all this summer.

On behalf of the administration and staff,

Mr. Derrick Wong  
Principal
